SOIL FUME CAPS, one capsule treats one bushel of soil; five capsules
\$1.00 Enough to treat five bushels of soil for one dollar. This is
one of the newest methods of soil treatment. Very easy to handle.

I have many, many other varieties available but not in large enough
quantities to list. However, if you are interested in some particular
varieties feel free to write & I will do the best I can to take care of
you.

Plan to visit me and see the new and older varieties of African
Violets. This will offer you an excellent opportunity to check the var-
ieties you like best. Directions to find me: I live at the north edge
of town on U.S. Highway #11. Open every day -Sunday after 2:00 P.M.
